MINH TRIET LY

Software Developer

Ilmenau, Germany

iiey.github.io

in mt-ly

@minhtrietl

I am an enthusiastic Software Developer in field Machine Learning and Computer Vision.
Self-discipline, working independently and greedy to learn new technologies.

M.Sc.
Computer Science
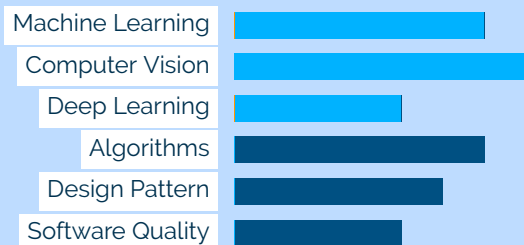

as latest degree from
Leibniz University Hanover

I am looking for challenges in Computer Vision and Deep Learning areas.
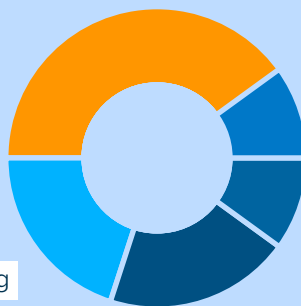

SKILLS AND TECHNOLOGIES

Specialist in feature egineering, pattern recognition, 3D reconstruction and measurement, writing real-time applications for digital image processing.

LANGUAGES

- German (fluent)
- English (working)
- Vietnamese (native)

Project & Planing

Machine Learning
Computer Vision
Deep Learning
Algorithms
Design Pattern
Software Quality

Currently work and learn new things in deep learning, especially in area of computer vision

Using Vim, CMake, GDB, Bash, GNU/Linux, Docker regularly at work.

C++   OpenCV   Qt   Keras

ACTVITIES

6 years

experience in industry solutions at Sielaff since 2014 **until now**.

Passion in photography, guitar and drawing. Also like travel, sport, reading.
In my free time I visit online courses to keep my knowledge up to date.

CERTIFICATIONS

- Deep Learning Specialization
- Advanced ML with TF on GCP
- ML with TF on GCP Specialization

EXPERIENCE AND EDUCATION

2015

Experience   Events   Education

05/2014 Software Developer at Sielaff

01/2014 M. Sc. in Computer Science

01/2012 HiWi - Administrative Assistant

10/2011 Project Discrete Simulation

4/2011 Won Scholarship of LUH

12/2009 HiWi - Research Assistant

9/2009 Project Confrakt

10/2008 Programming Internship

10/2007 Bacherlor Studies

12/2006 Engineering Worker

2007
